

Sharklab – Malta is a non-governmental organisation that helps to protect sharks, rays and skates around the Maltese Islands. The aim of this tagging program is to find out how far and deep the sharks go and how long they survive before being caught.

IF A SHARK WITH THE ABOVE TAG IS CAUGHT, PLEASE CONTACT SHARKLAB ON THE NUMBER/EMAIL BELOW.

Jekk jinqabad kelb il-baħar bit-tikketta bħal t'hawn fuq, tistgħu ċċemplu jew tibgħatu imejl fuq:
